ADVENTURES

# Survivor **Amazon** Tour

3 NIGHTS / 4 DAYS

**“We had an amazing experience with indigenous communities and wildlife! I can highlight recommend Colombia Remote Adventures to anyone who wants to experience the wonderful animals of the Amazon with a skilled and local guide. We learned about history and customs of the local people. Great local accomodation and food.”**

# About Us

Colombia Remote Adventures was founded in 2014 by Eliceo Matapi Yucuna, a proud Indigenous guide from the heart of the Colombian Amazon. More than a tour company, we offer authentic, community-led experiences that connect travelers with the rainforest and its original guardians. Our tours are rooted in ancestral knowledge, cultural respect, and environmental care. Featured in Lonely Planet and Bradt guidebooks, we're committed to responsible tourism that directly supports Indigenous families, local education, and conservation projects.

***Travel with purpose. Discover the Amazon through Indigenous eyes.***

# Tour Itinerary

## **Puerto Nariño Adventure**

1

### **MARIO RIVERA, PINK DOLPHINS & TARANTULAS**

Explore the life of a indigenous community and sail to see pink dolphins

2

### **WILDLIFE EXPLORATION**

Check the ancient trees & enjoy the fauna around

3

### **MARASHA, PERUVIAN AMAZON**

Natural reserve inside the Amazon's Peruvian Side

4

### **LETICIA**

The last stop from our tour, the biggest city of the Colombian Amazon.

- Drink Pairing (Non Alcoholic)
- Entrance Fees
- Boots for Jungle Hikes
- Expert Bilingual Tour Guides

## ✗ What's NOT Included in our Tour?

- Flight Tickets
- Tax Entrance in Leticia
- Alcoholic Beverages

## **Day 1: Mario Rivera, Pink Dolphins & Tarantulas**

Your journey begins at 9:00 AM as you meet at our office in Leticia, Amazonas. From there, we'll walk to the port and take a one-hour boat ride on the Amazon River to the Mario Rivera community of indigenous Ticunas. Along the way, you'll have the opportunity to spot various wildlife, including birds. Upon arrival, we'll set up camp and, if time permits, embark on a jungle walk to explore the area where you'll be staying.

Afterward, enjoy a delicious lunch at 1:00 PM, followed by a short rest. At 2:30 PM, we'll embark on a boat ride to observe the magnificent pink and gray river dolphins and take a refreshing swim. We'll then find the perfect spot to watch the breathtaking sunset. As the day comes to an end, prepare for an exciting night walk at 6:30 PM, where we'll explore the fascinating world of the rainforest's nocturnal creatures, including tarantulas, insects, and possibly snakes, weather permitting. For the night, you'll sleep comfortably in a room equipped with a bed and mosquito net.

Rise early for an optional birdwatching session at 5:00 AM to observe the Amazon's diverse avian life. Enjoy a hearty breakfast at 7:30 AM before venturing into the jungle to discover giant trees like Mata Mata, Capinuri, and Ceibas. While exploring, keep an eye out for the wildlife that inhabits this lush ecosystem, including sloths, monkeys, and a variety of birds. At 1:00 PM, we'll return for lunch and some relaxation time. Later in the afternoon, at 2:30 PM, we'll head out by boat again to spot more animals, such as sloths and monkeys, and to witness another stunning sunset, weather permitting.

As night falls, we'll set out to observe alligators (caimans) and gaze at the constellations before returning to camp. Dinner will be served at 8:00 PM, and you'll spend another comfortable night in a room with a bed and mosquito net.

## Day 2: Wildlife Exploration

## Day 3: Marasha

Breakfast at the Natural Reserve is followed by a taxi and boat ride to the Marasha Nature Reserve in Peru. We will have to walk for approximately 1 hour and 45 minutes until we reach the Reserve's facilities. During the walk, you will experience the jungle, learn about timber and medicinal trees. Furthermore, there is the opportunity to observe different species of birds that inhabit the area. After lunch at the Nature Reserve we can go Piranha fishing, bird watching, canoeing or kayaking around the river and see some beautiful spots close by. In the evening, after dinner, you have the option to head out for some caiman spotting in canoas and enjoy the night sky

## Day 4: Leticia

We will have breakfast early in the morning and take the boat to Leticia, which will take us around 2 hours. We will then drop you off in town or take you to the airport as requested.

# Social Project

## Faces of Tomorrow

Colombia Remote Adventures was created to offer authentic, adventurous experiences in the Amazon while supporting local communities and promoting environmental awareness. A portion of the profits goes toward purchasing school supplies and uniforms for indigenous children, helping them access education. The organization also aims to establish a conservation project or nature reserve, planting trees for each booking and caring for the area's wildlife and vegetation, as part of a long-term commitment to protect the Amazon rainforest.
